### GENERAL INFORMATION

- Before considering dates you hope to play on the Old Course in 2008 you should check our Website in August 2007 for a list of course closures:  
[http://www.standrews.org.uk/golf/the\\_courses/busy\\_dates2008.html](http://www.standrews.org.uk/golf/the_courses/busy_dates2008.html)  
**If you apply for dates when the course is not available, due to the large volume of requests we receive, we will not contact you to discuss alternative dates**
- We offer a very limited amount of single golfer packages between April and July
- The tee times for this package are set at the discretion of the Reservations Department and are not negotiable, although where possible these times will be mid-morning
- Golfers playing the Old Course must be in possession of a current official handicap card or certificate and the maximum handicap for men is 24 and ladies 36. A letter of introduction from a home club is not acceptable proof of handicap
- On the day of play golfers are required to provide proof of handicap to the Starter at the Old Course
- The two course policy applies when booking the Old Course and the second course for the single golfer package is the Jubilee
- We do not advance book the courses for Saturdays and the Old Course is closed Sundays
- **Trolleys are allowed on the Old Course between April and October after 12:00. If Caddies are not available trolleys may be used and, if necessary, hired before 12:00**
- **Applications from tour operators and commercial concerns will not be accepted**
